Subject: Notice of Cancellation/Termination of Reclamation Surety Bond Number [REDACTED]
Worthington Landscape, Worthington Landscape, S0350025, Salt Lake County, Utah

Dear Mr. Worthington:

Please review the enclosed Cincinnati Insurance Company's Notice of Cancellation and/or Termination notification indicating the Surety Bond in the amount of \$5,000.00 is being cancelled and/or terminated in accordance to the provisions of the bond. According to the terms of the Surety Bond, the insurance company may elect not to renew as long as a ninety (90) day notice is given to the Division. These terms have been met; therefore, effective June 1, 2009, the Surety Bond will be cancelled. Paragraph 2 of the Reclamation Contract, states the operator shall provide a replacement surety within sixty (60) days following the Division's receipt of the cancellation/termination notice.

You are hereby advised that the Division must receive a replacement form of surety on or before April 30, 2009 or the Division will be forced to do any/some of the following:

- Carry out the terms of the Surety Bond number [REDACTED]
- Submit a request to the Board of Oil, Gas and Mining to withdraw the permit
- Order the cessation of mining operations
- Order immediate reclamation of all lands affected

Since you originally submitted your reclamation surety, the Division has re-evaluated the amount of surety needed for operations like yours. The amount now required is \$10,000.00 for a five-acre operation escalated through 2012.
